AMENDMENT

Assistant Commissioner for Patents
Washington, D.C.

S I R:

Responsive to the Office Action mailed on September 13, 2001, please amend the above-identified application as follows.

IN THE SPECIFICATION

Replace each paragraph indicated in **Attachment A** with the (clean) paragraph as shown after the indication in Attachment A provided herewith. A marked up copy of each replaced paragraph showing the changes from the original paragraphs is shown in **Attachment B** provided herewith.

REMARKS

The disclosure has been objected to because of an "informality" and, in particular, because a "brief description of Figure 4 is not provided." The disclosure has been amended to provide a description of Figure 2 (since this is actually the figure which was not described) and the brief descriptions of Figures 2 and 3 have been changed to refer to Figures 3 and 4, respectively. The assistance of the Examiner in pointing out the missing brief description is much appreciated.
